

Kimball®Office

POLY™

## STANDS OUT. STACKS UP.

In collaborative spaces, chairs are always being moved. That's why the lightweight and portable Poly chair is such a fitting addition to the places people gather. Circled around a table or lined across a classroom, Poly brings lightness and energy to virtually any setting.

# POLY™

Poly lends style to necessity. Available in mesh or plastic with a wide offering of colors and stacking ability, Poly brings mobility and lightness to a variety of spaces.
