

novello

Novello™: a synchronized expression of movement and form

Introducing Novello, an innovative and dynamic expression of material science that synchronizes the seat and back with every movement. Available in ivory cloud, fog grey or black with an optional upholstered back cushion. Designed exclusively for Global by Alessandro Piretti.

Novello™: a synchronized expression of movement and form

Arm and armless stools add to Novello's versatility and application in transaction environments, video conferencing and business centers. The optional stool models offers elevated seat heights for those unique applications. Hard surface casters are available on all Novello models.
