Zook adapts to active learning

The Zook™ table series accommodates the needs of today's active learning environments. Versatile group and pod tables create a range of configurations that enable students to work independently or collectively. Zook provides a foundation for the modern classroom, where inspired learners can connect, discuss and exchange new ideas.

Learn better together. Zook group tables support four and six person teams with optional power and data management at the table surface to meet technological needs. Choose from a selection of laminate finish options.

The versatile learning space

ZKP004 as above, with casters

ZKP009 large pod tables, set of 3

ZKP007 large pod tables, set of 2

Zook pod tables transition easily from independent study to collaborative work. Move the tables apart for lectures and exams; bring them together to encourage conversations. The large pod table model is designed to support right, left and forward facing positions, including an optional contoured edge for extra comfort. Available with optional locking casters or ADA compliant models, Zook pod tables provide flexibility in any learning space.

Responds to dynamic learners

ZKP011 medium pod tables, set of 4

Zook responds to the ways students learn today. From traditional lectures to breakout sessions and roundtable discussions, pod tables can be configured to accommodate a range of teaching and learning styles. Pair Zook tables with the wide range of complementary seating options designed by Global for educational environments.
