

VILLA™ HEALTH

Kimball® Health

Villa creates a calm setting while at rest with classic design and uncompromised style. Dramatize an architecturally bold, open, space and revitalize any lounge, lobby or waiting area. Built-in features such as cleanout design between the seat and back, proper scale and height for sturdy support and easy entry and exit provides performance in high traffic areas.

# VILLA™ HEALTH

A modern-day classic built for the rigors of healthcare environments, Villa is scaled for a wide variety of spaces and engineered for high traffic lobby and lounge areas. It features a multi-generational design with built-in power and USB connectivity, and clean out detail.
