FEATURES WITH BENEFITS

The workspace needs options—and Priority offers plenty of them. Take, for instance, the collection's rim and pull styles that are available in a variety of material options, or the cubbies that function as open storage. Add adjustable height for even greater flexibility. Each are optional, yet complement the workspace beautifully.

DESIGNED FOR CHANGE

Change happens, and not always according to plan. That's why Priority provides what a workplace needs: the ability to reconfigure, rescale, and readapt to suit virtually any situation. With plenty of storage options, Priority is designed not only for the task at hand, but for the continuity of an entire organization.

ONE FUNCTION WITH MANY FORMS

Within the same design vocabulary, Priority offers the option of a flush-mount top or one that floats for a lighter look. Both styles can be integrated—separately or together—within a single environment. Incorporate mobile storage, work tools and easy access to power and data for a complete workspace solution.

Floating Surface
This worksurface introduces a lighter aesthetic—adding contemporary character to a practical design.

Double Height Storage
Make maximum use of your real estate with double height overhead storage. They extend up instead of out—giving you more space with a smaller footprint.

Modesty Panel
Add privacy to open settings in a clean, light, and incredibly simple way. Available in resin, wood or laminate.

Technology Modesty Panel
A hinged door below the worksurface folds down to allow easy access to wall outlets and stored cabling.

Mobile Storage
Give workers a way to stay organized by keeping items stored away, yet available at a moment's notice.

Work Tools
Functionality increases when workers have supportive tools—like tackboards with a tool bar that integrates seamlessly with work tools.

A HARD-WORKING ENVIRONMENT

People work hard enough—so Priority makes the application work for them. Endless configurations make this possible, utilizing multiple components that support efficiency and practicality.

INFINITELY FLEXIBLE

What you see is just the beginning. Priority can be a desk, shared workspace, or collaborative area. A multitude of styles and options offers more than a place to work—it offers a place to work your way.

Flush Surface

The look is traditional yet timeless for any work setting—a solid design, characterized by clean lines. Available in a number of material options.

Glass Doors

This optional door style, available with writable glass, blends aesthetic with functionality.

Cockpit

This configuration surrounds the user, yet doesn't restrict movement—perfect for workers who need more space to spread out.

Wall Mount Shelf

This shelf's thin profile refreshes the workspace while allowing the user to display personal items.

T-Leg Contrast

The base and leg can be specified in different finishes to provide a contrasting look.

Cushion Top

Specifying the cushion on low storage adds the warmth of a textile to your space, while creating integrated seating for impromptu meetings.

THOUGHT STARTERS

Surround Yourself

What every worker needs—plenty of storage and surface space to spread out.

Room to Move

Gives users ample desk space, lateral files, and highback organizer with writable glass fronts.

Right on Traxx®

Configured with our Traxx and Tiles to maximize wall space and integrate seamlessly with Perks® work tools. Includes a space for just about anything—wardrobe included.

Light, Low, and Layered

Table support offers a look that's lighter in scale. Easy-to access cubby storage adds a stylish character.

On The Wall

Clean aesthetic, light layered look. Features wall-mount shelves, a floating surface, and cushion top for short-term seating.

Sit or Stand

You pick the way you want to work. Seated at a desk or standing at a height adjustable surface. Lighter in scale with plenty of closed storage options.

Independent Style

Pullout drawers and writable doors compose the backdrop of this work environment—complete with a freestanding desk and paper storage below each overhead storage door.

All In One

Sliding overhead door allows easy access while the bookcase adds plenty of display options. Standing height table makes for quick and casual collaboration with co-workers.

Community Point

Offers plenty of space for individual work or collaborative meeting points. Incorporates a power center for access on both sides, plenty of storage and tackboard with integrated tool bar.

Integrated Storage

A classic configuration that maximizes space and provides ample storage. Cushion top storage creates the perfect place for a quick conversation.

Double The Space

Shared space works great for teams who collaborate often. Storage can be designated or shared based on worker needs.
