PRIORITY™

A MULTITUDE OF POSSIBILITIES

No matter where you work or how you work, Priority supports it in extensive ways. Wall-mounted overhead cabinets with writable glass fronts provide storage and function while wall-supported tiles with tackable surfaces, along with the accessory rail hangs needed files and personal items off the workspace. Complete the solution with a simple pedestal height adjustable desk that supports modern day work environments.

MODERN MEETS EXECUTIVE

With Priority height-adjust, you can rise (or lower) to the occasion. Now the private office can have the same flexibility and function with a modern-day aesthetic, bringing a timeless appeal to the executive space.

DESIGNED FOR CHANGE

Change happens, and not always according to plan. That's why Priority provides what a workplace needs: the ability to reconfigure, rescale, and re-adapt to suit virtually any situation. With plenty of storage options, Priority is designed not only for the task at hand, but for the continuity of an entire organization.

Floating Surface

This worksurface introduces a lighter aesthetic—adding contemporary character to a practical design.

Double Height Storage

Make maximum use of your real estate with overhead storage. They extend up instead of out—giving you more space with a smaller footprint.

Modesty Panel

Add privacy to open settings in a clean, light, and incredibly simple way. Available in resin, wood or laminate.

ONE FUNCTION WITH MANY FORMS

Within the same design vocabulary, Priority offers the option of a flush-mount top or one that floats for a lighter look. Both styles can be integrated—separately or together—within a single environment. Incorporate mobile storage, work tools and easy access to power and data for a complete workspace solution.

Technology Modesty Panel

A hinged door below the worksurface folds down to allow easy access to wall outlets and stored cabling.

Mobile Storage

Give workers a way to stay organized by keeping items stored away, yet available at a moment's notice.

Work Tools

Functionality increases when workers have supportive tools—like tackboards with a tool bar that integrates seamlessly with work tools.

A HARD-WORKING ENVIRONMENT

People work hard enough—so Priority makes the application work for them. Endless configurations make this possible, utilizing multiple components that support efficiency and practicality.

INFINITELY FLEXIBLE

What you see is just the beginning. Priority can be a desk, shared workspace, or collaborative area. A multitude of styles and options offers more than a place to work—it offers a place to work your way.

Flush Surface

The look is traditional yet timeless for any work setting—a solid design, characterized by clean lines. Available in a number of material options.

Glass Doors

This optional door style, available with writable glass, blends aesthetic with functionality.

Cockpit

This configuration surrounds the user, yet doesn't restrict movement—perfect for workers who need more space to spread out.

Wall Mount Shelf

This shelf's thin profile refreshes the workspace while allowing the user to display personal items.

O-Leg Contrast

The base can be specified in different finishes to provide a contrasting look.

Cushion Top

Specifying the cushion on low storage adds the warmth of a textile to your space, while creating integrated seating for impromptu meetings.
