THEO™

OPEN PLAN PERFECTION

Placed in sprawling landscapes, away from designated work areas, Theo offers an irresistible landing spot. Mix one, two, or more with soft seating for a secondary workspace or casual meeting area. Deceivingly efficient, Theo offers a large-scale look with a small-scale footprint.

A WELCOME ADDITION

Inspired by iconic, mid-century design, Theo is an instant classic for any setting. This lounge chair swivels 360 degrees and comes with a knee-tilt control for personalized comfort. Circled in a reception area, Theo greets guests with rich veneers, a highly polished aluminum base, and a handsome, sturdy demeanor.

DYNAMIC BY DESIGN

Enhanced by casters, pneumatic height-adjustment, and a standard tilt feature, Theo's "Active Lounge" keeps pace with fast-moving workdays. At one's desk or around a conference table, casters blend the ease of mobility with another dimension of mid-century appeal.
