XSEDE®  
Height Adjust & Power Beam

## EXPECTATIONS

Xsede Height Adjust, Power Beams & Power Panels provide option-rich height-adjustable solutions with integrated power and visual privacy for the open plan.

With the touch of a button, Xsede Height Adjust allows users to raise or lower their worksurface. This is essential in creating a healthy workspace that accommodates fluid, natural movement throughout the day and comfortably supports a wide variety of work styles.

Xsede Power Beams & Power Panels add seamless, flexible function to the open plan. The Power Beam delivers power, data and voice while creating integrated worksurfaces and storage support.

Upholstered, tackable screens provide privacy and space division. The optional accessory rail creates the ability to add functional, yet playful accessories to the workstation.

This simple, clean collection exceeds expectations by bringing movement, power, and energy to the open plan environment.

## STAND ALONE, SET APART

Workplace design should address the need for privacy while offering the freedom to choose an individualized work mode. The versatile components of Xsede Height Adjust provide balance for an active style of work with a welcome aesthetic and functionality that fosters creativity, well-being and engagement.

*Also shown*  
Task Seating: **Joya** / Panel System: **Narrate** / Storage: **Priority**

## PICK YOUR POSITION

When it comes to innovation and creativity, everyone ideates differently. By adding screens to the Power Panels, it allows you to have privacy, acoustic separation and personalization to support your work style and requirements. The freestanding, 2 or 3-stage height-adjust bases offer a wide range of adjustability for maximum flexibility and greater focus.

*Also shown*  
Task Seating: **Helio**

# CREATE, IDEATE & COLLABORATE

Benching can save space and bring teams closer, but often restricts fluid movement. Xside Height Adjust brings new life to the ordinary bench, allowing segmented pieces to raise and lower—individually and at will.

Also shown  
Task Seating: **Joya** / Storage: **Priority** / Side Seating: **Lusso** / Ottoman: **Joelle**

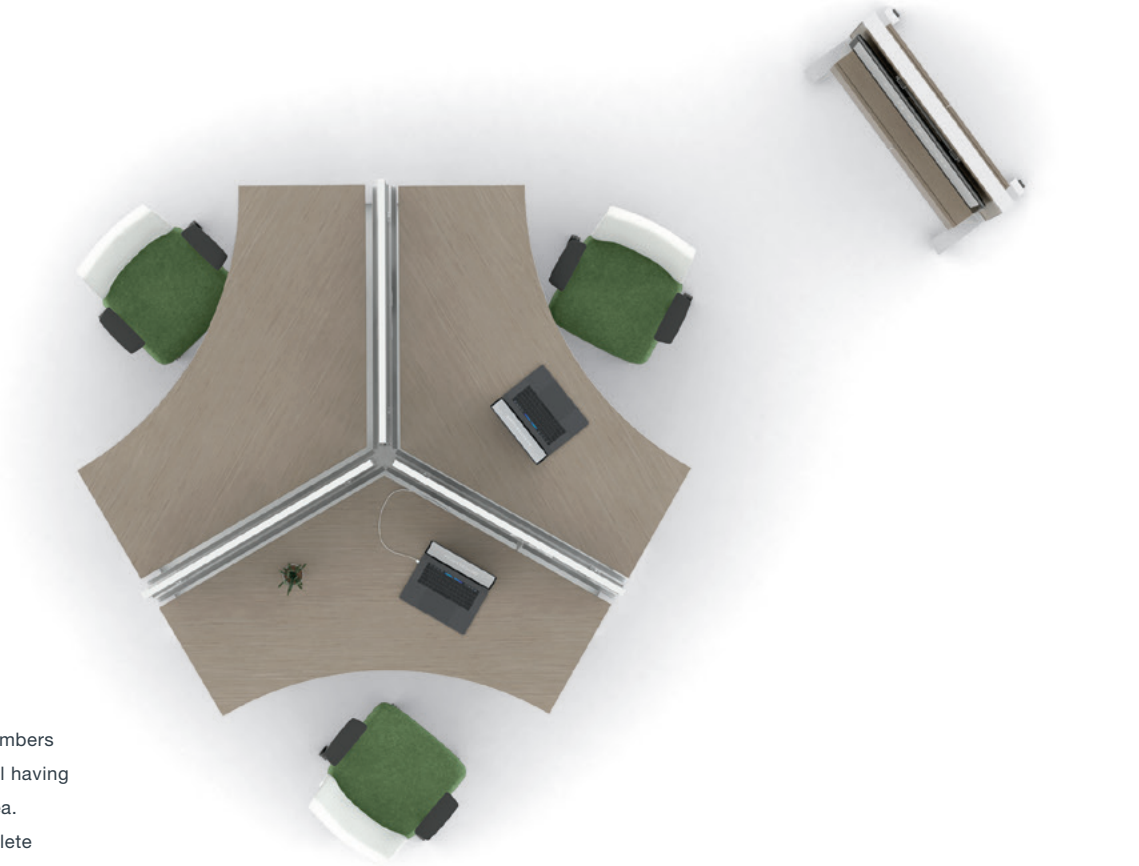

# UP (OR DOWN) FOR ANYTHING

Bringing height adjustability into the private office with a clean, cohesive aesthetic, Xsede Height Adjust takes daily work to a different level so people can feel their best and achieve at the highest level.

Also shown  
Side Seating: **Nash** / Storage: **Priority & Stow** / Task Seating: **Helio**

THOUGHT STARTERS

Connection Points

Give collaborative team members a place to interact while still having full control of their work area. Power Beams enable complete connection at any angle of the space.

Slim Solutions

With the single column base, you get the same height-adjust functionality, but with less space allocation. Add storage and Narrate end panels to enhance the solution.

Engaged Essentials

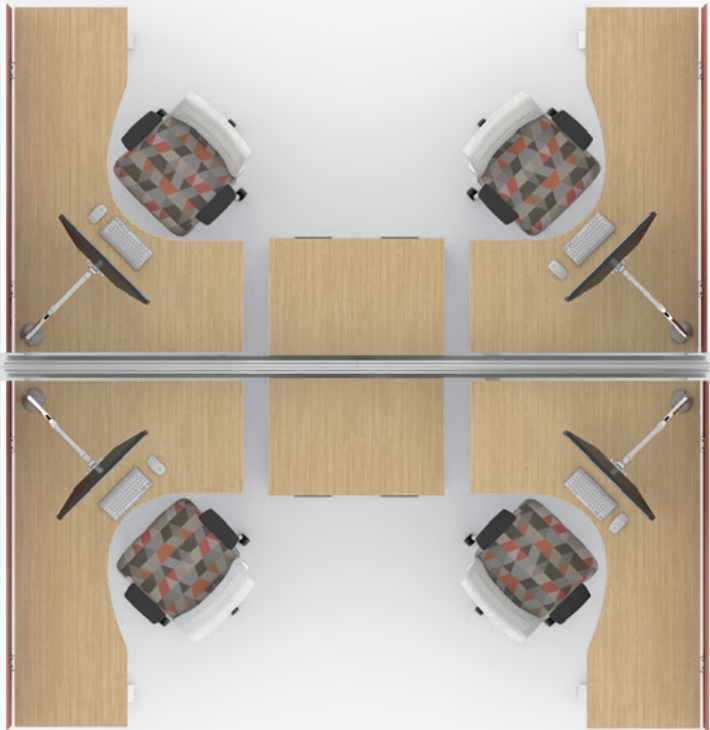

Height-adjustability, storage and complete connection provide the essentials you need to be creative, inspired and completely engaged.

THOUGHT STARTERS

Extend & Enable

Worksurface extensions off the Power Beams provide a complete, technology-enabled solution. Attach overhead storage to the beam for a clean aesthetic that doesn't take up floor space.

Shape Your Space

Unite Power Beams with height-adjustable extended cove surfaces to create work areas that can be separated with storage units or lounge seating to shape the work environment as needed.

Divide & Conquer

Empower users to effortlessly construct the ideal workspace by combining privacy screens on the Power Beams with height-adjustable surfaces for focus, function and form.

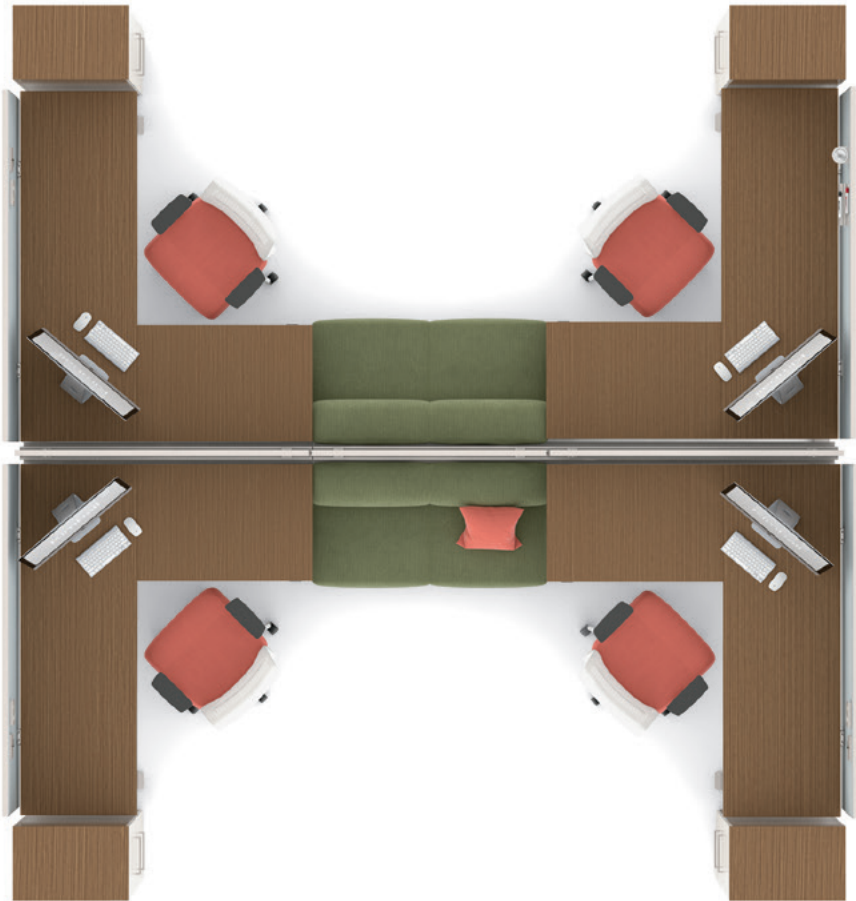

THOUGHT STARTERS

Personal & Versatile

Power Beams and privacy screens provide space division and worker autonomy to support people no matter their preferences or style of work.

Open & Organized

With a Power Beam stretching from end to end, cords are kept neatly organized and out of plain sight, maintaining a clean aesthetic in the open plan.

Collaborate & Create

Integrate Power Panels with storage to create work areas that foster collaboration as well as support private work.
