

QUANTA[®] HD

QUANTA' HD. BEAUTIFUL. VIBRANT. STACKABLE.

The Versteel Quanta HD offers more than just beautifully crafted, lightweight seating. Built on a solid steel frame, these versatile chairs are designed to stack ten high on the floor, or twenty high on a movable cart, allowing you to make more efficient use of your space. Quanta HD's thin profile provides the highest design aesthetic and is available in seven bold colors.

FLEXIBILITY

Unique design that provides flexible back support that moves with you

FRAME

Built on a sleek, solid steel frame for lightweight, long-lasting durability

STACKING

Chairs easily stack to reconfigure any environment
